Claims Army Is Stacking Courts Martial Indiana Senator Lays Protest Before Patterson

Washington, July 8 (AP)—Senator Jenner (R-Ind.) contended today that "the high command in the European theatre is stacking courts against defendants in court martial."

In a letter to Secretary of War Patterson demanding a full investigation of army military trial procedure, Jenner offered what he said was documentary proof that:

1. "Prisoners are not being permitted to employ either civilian or military counsel of their own choice in the preparation and presentation of their defense."

2. "Every effort is being made to prevent attorneys who were connected with the infamous Lichfield prison case to practice in courts martial in the European theatre."

The Indiana senator made public a copy of an informal "routing slip" which he said was signed by Brig. Gen. Cornelius E. Ryan, assistant deputy, military government for Germany, and written by Col. Francis H. Venderwerker. Jenner told newsmen that the routing slip substantiated his charges.

The slip, addressed to the chief

Defeat Amendment By Demos to Remove Many from Rolls

Washington, July 8 (AP) — The house passed today the Republican-backed bill to cut income taxes by \$4,000,000,000 annually for 49,000,000 taxpayers, beginning Jan. 1.

It goes to the senate where approval also is forecast.

The vote was 302 to 11, or more than the two-thirds majority needed to override a presidential veto.

The action, which may encounter another presidential veto, came after Speaker Martin (R-Mass.), personally appeal to the house to pass the bill by such a decisive vote— as to persuade the president that the people should have this

Security Council Paves Way to Talks On Arms Reductions

Lake Success, July 8 (AP) — The United Nations security council today approved an American blueprint for the arms reduction discussions despite a Russian warning that the plan would bring about a collapse of arms regulation efforts.

The vote was 9 to 0, with Russian and Poland abstaining.

In view of Russia's firm stand against the U. S. plan it had been believed she might invoke the big power veto to block it.

Soviet Deputy Foreign Minister Andrei A. Gromyko gave his warning before the United Nations security council in a new effort to revive the Soviet working plan which already had been rejected by the commission for conventional armaments.

His challenge was taken up promptly by French delegate Alexandre Parodi and U. S. Representative Herschel V. Johnson, who announced their opposition to any
